

The Wisdom behind all Creation speaks

ASK THE SOPHIA PISTIS

Who is the Sophia Pistis?

She is light energy of pure divine wisdom, for she is no being. She usually is everywhere but resided in higher realms beyond our four realms. She had no beginning and no end. She is not the Goddess Sophia but the wisdom behind her. Goddess Sophia resided within Eve Anderson for six years and Goddess Sophia in heaven now and her wisdom left behind within Eve Anderson speaks volumes of deep truth. Without her there is no creation. Pistis will be within Eve Anderson until she is done with living here and completing planetary living in 6th & 7th Dimension. Then in 9th her wisdom will reside in 7 millions dimension for all future Gods to use. Eve Anderson is the vehicle to bring this wisdom to our human level and all to benefit from it. Read more about her in Nag Hammadi Scriptures.....

When was female consciousness created?

- 6 trillion years ago female consciousness was created. Sophia Pistis pure light created this consciousness. She was not a being just pure energy and consciousness. 3 trillion years ago, the first female Goddess was created but at that time wisdom was not part of it. The mother and father God at the time made her without wisdom for she was used purely for reproduction. Before 6 trillion years ago, there was no consciousness. 5 trillion years ago male consciousness was made.

Who is Yahweh?

He was a loving God with a good purpose but was unbalanced and dysfunctional. He was created from a Male God without a female mother. He was more male consciousness. Sophia was made as a soul-mate for his only son, Jesus, who had both a mother (Isis) and father. Yahweh created planets and beings within 3rd to 10th dimension, he inherited from his father the 3rd to 890th dimension. Yahweh is gone even though he's eternal because his father had to do away with him, when unknown to Yahweh many evil Gods billions of levels high turned him evil and he wanted to stay that way. That was 2008 and that is why Armageddon has been delayed.

What is Silent Armageddon?

It is an event in April 2008 that would of cleansed the earth of dark and evil beings and the hope of a resurrection of millions. Judgment by separation of good/dark were done before 2008 and many spirits rebelled, attacked and were killed in self defense. The good human spirits were taken to heaven in safe keeping even to this day. Yahweh never thought genetic destruction of human matrix now would not allow anyone to walk through alive on this new earth.....

What are the Keys?

Yahweh inherited a set of six keys from his father. He promised his son Jesus the keys of the kingdom, when his kingdom was concluded after 1000 year reign. During the judgment and warfare of the new heavens ,Yahweh used Sophia Pistis and rewarded her with all the keys. The keys are:

1. Keys of the Kingdom
2. Keys of Hades and death
3. Keys to warfare
4. Keys of Creation
5. Keys to Knowledge
6. Keys to all the realms (4)

Only Gods can use keys and now Sophia has all of them.

How can a God exist within a person?

Goddess Sophia was Eve Anderson's human spirit which became karma-free with SIR healing and raised in levels from human, angelic, Saint to Goddess. All people can go from human to Saint, when karma free. But Sophia unbeknown to her, had the promise to be a Goddess as the Bride of Christ and future Queen of God's Kingdom. She, like all of us, came down to learn without knowing her hope; until karma free. Her spirit became so large & powerful that only 20% could exist inside her and 2 years ago Sophia Pistis entered Eve Anderson.....

How do you heal people?

Over the last 6-7 years it has changed. First, like others, I channel and ask for higher beings to do something and it gets done whether angels, higher self and God. Now that I am a very high level Goddess I use my endless spirit and endless wisdom. Recently, in last year, gifts and blessing included Instant manifestation. I ask with instant results. This is the highest form of blessing and gifts. Every time I helped with the War in Heaven, I inherited the Goddess's Gifts that were once for that dead Goddess that is no longer. I also was rewarded by Yahweh's father many times. The keys give me authority with ability to conquer death and raise the dead. I have brought people out of comas and raised animals from death. Karma clearing and perfected health is the result. There is no limit on my wisdom and abilities.
